Description

The Howie the Harp Assisted Competitive Employment (ACE) Program helps NYC residents living with mental health conditions find and keep a competitive job. Services include: job search preparation, job search strategies, benefits counseling, and job development. The ACE Program also offers employment support and career counseling for individuals who are employed.

WHO DOES THIS PROGRAM AIM TO SERVE? NYC Residents with a mental health diagnosis who have earned a High School diploma (or GED/TASC equivalent).

HAS THIS PROGRAM BEEN SUSPENDED DUE TO COVID-19? No. Interested parties who wish to enroll or refer someone to the program, can email Lilian Prado at the email provided.
