Description

CodeAcademy is an education company where students can learn to code in multiple languages (e.g., HTML & CSS, Python, JavaScript, Java, SQL, C++, etc.) online for free through their Basic plan. Additional support is provided through CodeAcademy's Pro plan for a monthly fee.

HAVE CODEACADEMY'S SERVICES BEEN SUSPENDED DUE TO COVID-19? No. CodeAcademy is continuing services and giving away 100,000 Pro memberships to people who have lost their jobs during COVID-19. Visit www.codecademy.com/worker-support to learn more.
