Description

The Day Care Council of New York, Inc. (DCCNY) is a diverse membership organization of 93 non-profit sponsoring boards that operate more than 200 publicly-funded child care centers and family child care programs in New York City. DCCNY's mission is to seek support for and assist in the development of quality child and family care services which are designed to promote the sound growth and development of children and their families. The Council offers information and advice on child care, including information on accessing subsidized child care (e.g., free or low cost child care based on family income and reason for requiring child care).

HAS THIS PROGRAM BEEN SUSPENDED DUE TO COVID-19? Due to COVID-19, the offices of DCCNY have been closed and all scheduled training and technical assistance visits have been canceled. DCCNY continues to monitor emails and voicemail messages to provide support remotely.
