Description

TODOIST app keeps track of all tasks, projects, and goals in one "beautifully simple place." It syncs across all devices and integrates with many popular apps. For people who need less chaos and more peace-of-mind. Todoist features include:

• Creating and managing tasks

• Organizing and prioritizing tasks and projects

• Delegation of tasks on shared projects/workplaces

• Track progress with daily and weekly goals

• Visualize productivity trends

• Sync with other apps (e.g., Calendar sync, Dropbox, Zapier, Twist, Slack, etc.)

Download Todoist for all devices (e.g, destkop, mobile, etc.)[here](#).

IS THE TODOIST APP FREE? Yes. A premium version is available for a fee with more features.
